Accreditation and Disclosure Statements

Organization: Society for Disaster Medicine and Public Health (SDMPH)

Name of Activity: 10 Years On: Building the Discipline of Disaster Medicine and Public Health

Date: December 4-6, 2023

Location of Activity: Washington, D.C.

Activity Objectives:

Describe three strategies to build climate-resilient health systems and protect population health from the wide range of impacts created by climate change.

Identify three developments in 21st Century conflict medicine to provide humanitarian lifesaving interventions and prevent death and disability in affected populations.

Explain four ways emerging artificial intelligence (AI) decision aids and technologies augment disaster medicine and mass casualty incident response.

Discuss augmented reality (AR) applications in disaster health education.

Accreditation Statement

This activity has been planned and implemented in accordance with the Accreditation Requirements and Policies of the Medical Society of the State of New York (MSSNY) through the joint providership of the **Westchester Academy of Medicine** and the **Society of Disaster Medicine and Public Health (SDMPH)**. The Westchester Academy of Medicine is accredited by MSSNY to provide Continuing Medical Education for physicians.
