## **American Academy of Disaster Medicine Honors SDMPH Executive Director**

June 27, 2015 - James J. James, M.D., DrPH, MHA, received the Distinguished Service Award at the American Academy of Disaster Medicine (AADM) President's Awards Dinner held during its recent Annual Scientific Meeting, Dr. James was presented with a Distinguished Service Award. The AADM Distinguished Service Award honors deserving individuals, organizations and communities positively affecting public health care in the disaster life cycle of preparation, planning, response and recovery.

Dr. James is recognized by AADM for his work with the Department of Health & Human Services and state and local medical societies to share information, implement communications strategies, and coordinate medical and public health agencies' response in the event of a terrorist attack or other sweeping disasters
